

Asking good questions
when the
power is not equal

With a peer

Why do you think this
is happening?

With a senior
stakeholder

In your experience,
what usually causes
situations like this?

ASKING GOOD QUESTIONS WHEN THE POWER IS NOT **EQUAL**

With a peer

What are you worried about?

With a senior stakeholder

Is there anything you'd like me to be mindful of?

ASKING GOOD QUESTIONS WHEN THE POWER IS NOT **EQUAL**

With a peer

Help me
understand
the situation.

With a senior
stakeholder

May I ask a
few questions
so I fully
understand?

Good questions
are not
culturally
neutral.
